CUMMINS®

ISX15 Upper Engine Gasket Set

Interstate-McBee is expanding its gasket coverage for ISX15 EPA 2017 engine models with CM2350 control module. The new **M-5406187** gasket set is now available for servicing a cylinder head replacement of ISX15 CM2350 MCRS engines. This new gasket set is upgraded with the latest design cylinder head gasket and all components are manufactured using top grade materials. Contact Interstate-McBee for details.

CUMMINS®

QSX15 Piston Kit

Interstate-McBee is now assembling piston kits for QSX15 engines with CM2250/CM2350 engine systems. The new **M-5473087** piston kit features a one-piece steel forged piston for superior strength. Graphite coating on the skirt helps to minimize friction. This new kit also features the **M-5484414** piston pin which increases piston pin joint service life. Contact Interstate-McBee for additional information on this high value kit.

Part Number	Description
M-5473087	Kit - Piston
M-5484414	Pin - Piston
