

HDXperts A/S

Heavy Duty Gas & Diesel Engine Xperts

HDXperts will be participating together with **Interstate-McBee** - USA, at the Automechanika 2018 Exhibition, Frankfurt – Germany, September 10th to 15th.

As always, we look very much forward to meet our customers and new prospects, and explain the latest new products developed and engineered by Interstate-McBee, and review possibilities and options what the high quality engine parts from IMCB can bring to their businesses.

Geiri Skirnisson and Bjarne Sørensen will be available at the stand all days during the exhibition.

Stand number is; Hall 6, Level 1, Stand A74.
