New Product Release – January 2014

Expanded Coverage for Waukesha® Engine Applications

Interstate-McBee is now stocking cylinder head parts for Waukesha® VHP 7044 engine applications. The intake valves are engineered from a high nickel chrome alloy with chrome plated stems and seat hard facing for superior wear resistance. The exhaust valves are designed using a nickel based super alloy along with chrome plated stems for superior heat resistance. Also available are intake and exhaust valve seats in both standard, .010, .020 and .030 oversize. These new U.S. manufactured valve seats are produced from high temperature alloys for superior wear and corrosion resistance.

The new M-G-936-1044 kit shown here contains the intake and exhaust valves, intake and exhaust guides with seals, valve rotators, valve locks and standard intake seat inserts. Special volume discounts are available so contact your Interstate-McBee representative today for details.

M-G-936-1044 Valve Kit

Additional items also available-

Interstate-McBee

Part Number	Description
M-204436A	Valve, Intake
M-204436K	Valve, Exhaust
M-214230	Rotator, Valve
M-214229	Valve Stem Seal (Blue)
M-204235B	Spring, Valve
M-204335B	Spring, Valve
M-211801J	Valve Seat Insert
M-211801J1	Valve Seat Insert .010 Int.
M-211801J2	Valve Seat Insert .020 Int.
M-211801J3	Valve Seat Insert .030 Int.
M-G-977-68	Gasket Set, Cylinder Head Replacement

Interstate-McBee

Part Number	Description
M-204209E	Valve Guide, Intake
M-204209F	Valve Guide, Exhaust
M-73629C	Lock Half
M-176450G	Valve Stem Seal (Green)
M-204235C	Spring, Valve
M-204335C	Spring, Valve
M-211802B	Valve Seat Insert
M-211802B1	Valve Seat Insert .010 Exh.
M-211802B2	Valve Seat Insert .020 Exh.
M-211802B3	Valve Seat Insert .030 Exh.

New Product Release – January 2014

Expanded Coverage for Caterpillar® G3500

New intake and exhaust valve part numbers M-3074641 and M-3089177 are now available for land fill gas applications. These valves feature high temperature chrome nickel alloy with seat hard facing for wear resistance along with additional hard chrome plated stems for superior wear and corrosion protection for the harsh conditions. Special volume discounts are available so contact your Interstate-McBee representative today for details.

Interstate-McBee

<u>Part Number</u>	<u>Description</u>
M-3089177	Valve, Exhaust
M-3074641	Valve, Intake

Upsize Inserts available-

Interstate-McBee is now stocking U.S. manufactured oversize valve inserts for popular Caterpillar G3500 applications. These inserts are manufactured from high temperature and corrosion resistant alloys for superior wear resistance. Special volume discounts are available so contact your Interstate-McBee representative today for details.

Interstate-McBee

<u>Part Number</u>	<u>Description</u>
M-1916760	Insert, Exhaust Std.
M-2061546	Insert, Exhaust .254mm
M-2061547	Insert, Exhaust .508mm
M-2668718	Insert, Intake Std.
M-2668719	Insert, Intake .254mm
M-2668720	Insert, Intake .508mm
