## NAVISTAR®

## MaxxForce® DT Inframe Kit

Interstate-McBee is now assembling kits for popular MaxxForce DT engines produced for MY2008 ½ through MY2009. Inframe kit **M-2516370C91** features the latest piston and liner updates and contains all the commonly replaced items needed for an inframe overhaul including new head bolts, EGR mixing duct gaskets, and EGR cooler mounting gaskets.

Piston **M-7096521C1** is diamond turned for a precise finish and features a revised cooling jet relief in the piston skirt. The liner is hardened and features a plateau honed wear surface for durability and precise oil control. The **M-2516367C91** cylinder kit also includes a new oil cooling jet with mounting bolt. Contact the parts experts at Interstate-McBee for more information on this kit.

### Inframe Kit M-2516370C91 Includes:

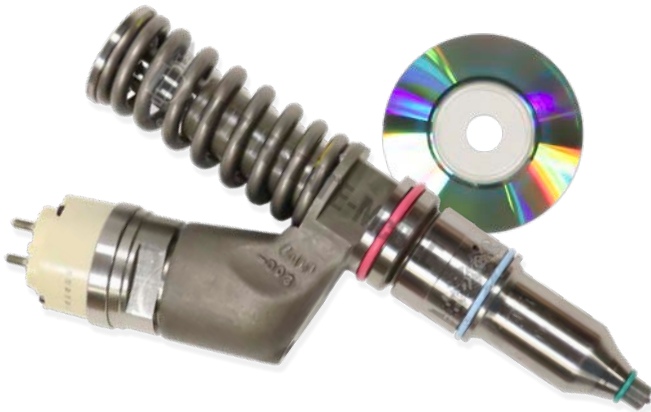

QTY	Description
6	Kit - Cylinder
6	Bearing - Main - Std
6	Bearing - Connecting Rod - Std
1	Bearing - Main Thrust - Std
1	Gasket Set - Upper
1	Gasket - Oil Pan
1	Gasket - Oil Suction
1	Gasket - Inlet Adapter
1	Kit - EGR Mixing Duct Seal
1	Kit - Cooler Exh Gas

## CATERPILLAR®

## C15/C18/C27/C32 Reman Injectors

Interstate-McBee continues expanding our line of high quality remanufactured injectors. Each ACERT injector is assembled and tested at our facility in Cleveland and is delivered to you with a CD containing unique trim files assuring your engine will deliver peak performance.

Part Number	Application	Comments
R-20R2284	C15/C18/C27/C32 ACERT	Trim file (12-digit serial)
R-20R2285	C15/C18/C27/C32 ACERT	Trim file (12-digit serial)

- New spray tip nozzle, manufactured by Interstate-McBee in Cleveland, USA, in every injector to assure performance and longevity unmatched by other replacement injectors
- CD with trim files for fuel efficiency and emission compliance

NEW PRODUCT RELEASE

### MAY 2021

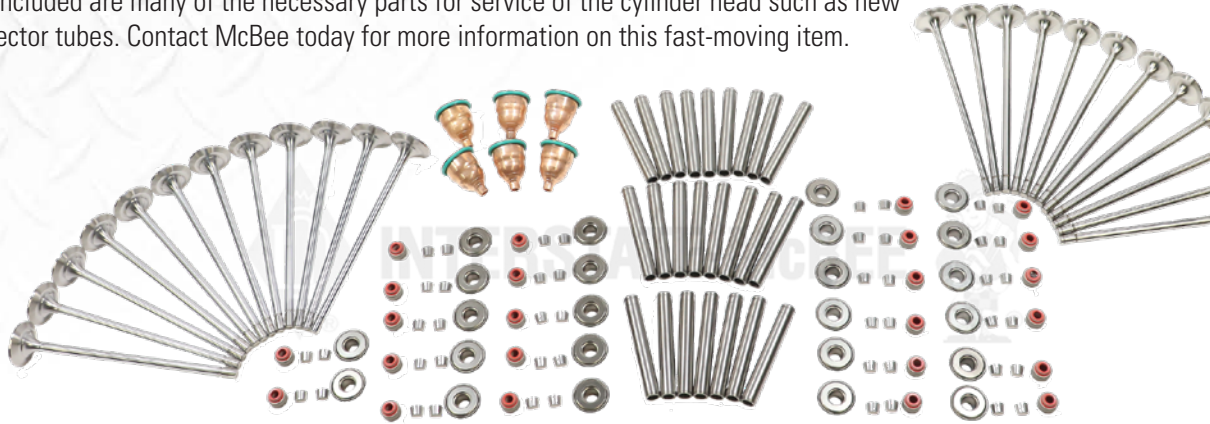

## DETROIT DIESEL®

### S60 Cylinder Head Kit

Interstate-McBee is stocking a new cylinder head repair kit for popular S60 12.7L and 14L non-EGR engine applications. The **MCBVRKS60** kit contains high temperature alloy valves designed for durability and engineered for superior fit and function. Also included are many of the necessary parts for service of the cylinder head such as new rotocoils, valve guides, and injector tubes. Contact McBee today for more information on this fast-moving item.

#### MCBVRKS60 Includes

QTY	Description
12	Exhaust Valve
12	Intake Valve
48	Valve Lock
24	Valve Stem Seal
24	Rotocoil
24	Valve Guide
6	Injector Tube Kit

## DETROIT DIESEL®

### S60 Sensors

We have also added three new replacement sensors to our expanding line of electronics for Detroit Diesel® S60 applications. These sensors, which include an oil pressure and coolant sensor, monitor pressure levels within the engine to ensure proper engine performance. Contact the parts experts at Interstate-McBee for details.

Part Number	Application	Description
A-23527830	Series 60	Sensor
A-23527828	Series 60	Sensor - Oil Pressure
A-23520380	Series 60	Sensor - Coolant

## CUMMINS®

### ISC/ISL Sensors

In addition to the above sensors, three new replacement pressure sensors for Cummins® ISC/ISL applications are also available. These sensors are designed to keep the engine running at peak performance. Contact Interstate-McBee to order today.

Part Number	Application	Description
M-4921495	ISC/ISL	Sensor - Fuel Pressure
M-4921728	ISC/ISL	Sensor - Pressure
M-4921730	ISC/ISL	Sensor - Pressure
