NOVEMBER 2021

JOHN DEERE®

4045/6068 Cylinder Kit

Interstate-McBee is proud to announce the release of a new cylinder kit for some of the most popular John Deere® Tier 2 and 3 engine models. The new **M-RE524450** cylinder kits include the added piston pins not offered in OEM kits. Both the piston as well as the full cylinder kit are now in stock and available for sale. The full kit contains the following premium grade components:

- Die-cast aluminum **piston** with cast-in nickel-iron piston ring groove inserts for exceptional wear and sealing function
- Centrifugally cast **cylinder liner** to ensure highly consistent strength and durability throughout liner
- **Sealing rings** made from select materials and designed to provide optimum sealing capability
- **Piston pins** hardened and tempered to achieve maximum strength and wear resistance
- Cast iron **piston rings** with top grade OD coating and design to minimize oil consumption and assure extended life

JOHN DEERE®

4045/6068 Reman Injectors

We've recently introduced our new line of replacement engine parts for John Deere® engines and now we're expanding our fuel injector lineup to include remanufactured John Deere® injectors as well. The necessary installation components and trim codes are included with each injector.
