CATERPILLAR®

C32 Cylinder Kit

New cylinder kits are now available for popular Caterpillar C32 engine applications. The new **M-CK3675160P** cylinder kits come complete with the following premium grade components:

- Forged steel **piston** with graphite skirt coating for strength and durability
- Steel **cylinder liner** featuring a roll-burnished flange for superior strength
- Coated **liner seals** for ease of installation
- Hardened and tempered **piston pins** for greater strength and wear resistance
- **Piston rings** made from alloy cast iron or steel where required

The **M-3675160** piston is commonly found in C32 EPG (Electric Power Generation) engine applications. This piston as well as the full cylinder kit are in stock now. Contact Interstate-McBee for more details and exact applications.

CATERPILLAR®

C15 Replacement Turbine Housing

Interstate-McBee is now stocking replacement turbine housing for popular Caterpillar® C15 applications.

The **M-2514820T** replacement housing assembly is manufactured from high temperature alloy cast iron for long term durability. This assembly includes a new waste gate which is calibrated to ensure proper engine and turbo performance. This housing assembly is designed for use with the **M-2514820** turbocharger.

Turbocharger M-2514820

CUMMINS®

Pressure/Temperature Sensor

An additional replacement sensor covering a wide range of applications is now in stock. The new **M-2897333** is a general use intake manifold pressure and temperature sensor used in popular Cummins® engine applications. This sensor also contains a new seal for convenience. Contact the parts experts at Interstate-McBee for additional details.

CUMMINS®

ISL9 Thermostat

We are continuing to add to our growing line of ISL replacement parts. Our latest addition is the new thermostat **M-5273379**. This US made, 180° thermostat is now available for Cummins® ISL9 CM2350 applications. It comes conveniently packed with rectangular seal ring **M-4936967** needed for installation. Contact Interstate-McBee to order now.

CUMMINS®

ISX Oil Cooler Mounting Bolt

Also available for Cummins® applications is the new oil cooler mounting bolt **M-4965483**. This new 12-point cap screw is finished with a premium exterior coating for improved corrosion resistance. The **M-4965483** is used in conjunction with spacer **M-4965484** found in ISX oil cooler mounting applications. Both products are available for immediate purchase.
