

HDXperts A/S

- YOUR GAS AND DIESEL ENGINE EXPERTS!

Our goal is to provide our customers
with the very best solutions, when it comes to

High Quality Parts & Service!

HDX is Authorized Stocking Distributor for Interstate-McBee Products and Part Programs in Europe, and we carry large inventory of IMCB engine replacement parts.

Interstate-McBee is known throughout the world as one of the leading companies in engineering and manufacturing of aftermarket products of the highest quality available for Diesel and Natural Gas engines.

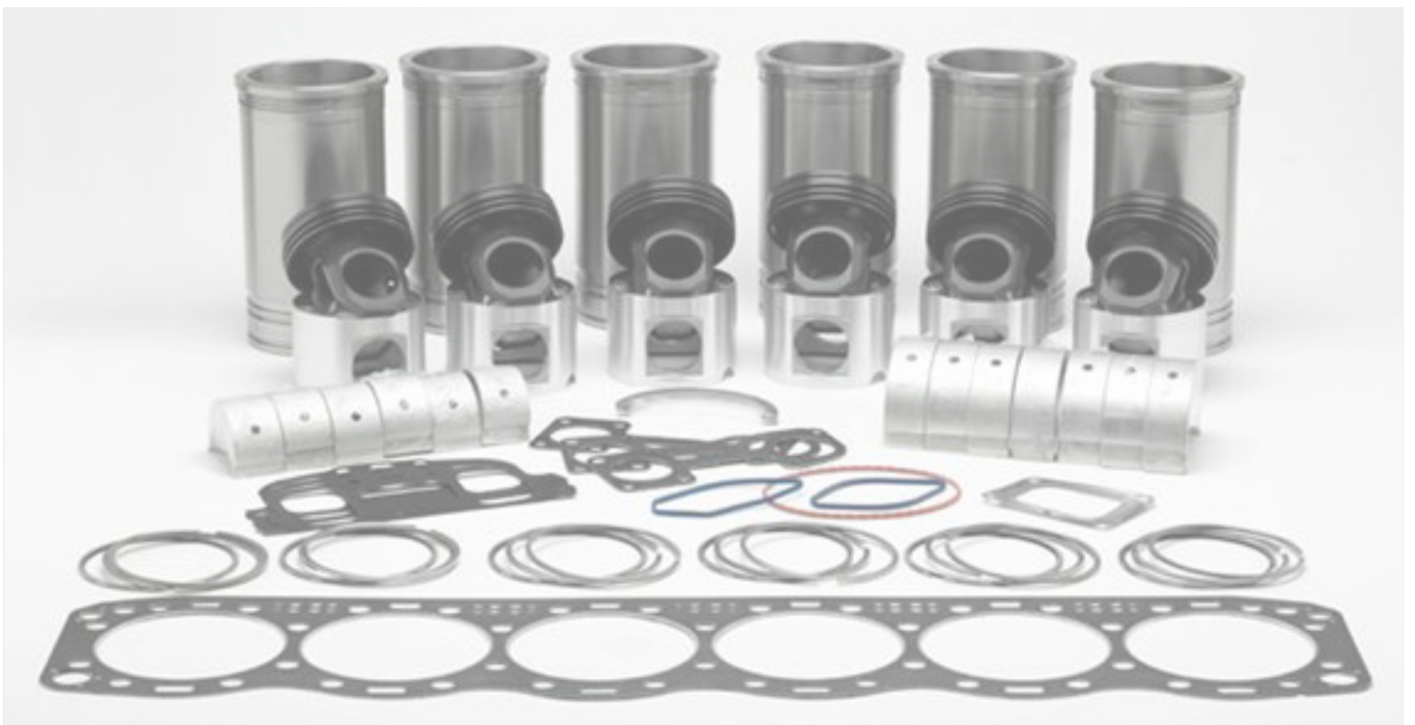

- Interstate-McBee is ISO9001-2008 Certified, also in design of products. This certification has been updated to the 2016 version.
- Interstate-McBee has numerous US Patents on products they have developed for their Diesel and Natural Gas engine part programs.
- Interstate-McBee offers an extensive product range of internal engine components, including gaskets, seals and gasket sets. In addition, IMCB offers extensive range of fuel injectors and components.

In addition to Interstate-McBee parts, we only supply you with High Quality brands for your engines.
